Claré

The Ultimate Glow Guide
Akeva Skincare

Welcome to Your Glow Ritual

Claré isn't just a cream — it's your skin's night treatment, moisture barrier, and brightening booster in one.

Infused with vitamins and powerful actives, it works while you sleep to restore your natural radiance.

Let this guide show you how to unlock Claré's full magic.

01 Why You'll Love Claré

- Brightens dull and pigmented skin
- Fades dark spots, marks, and uneven tone
- Deeply hydrates and nourishes overnight
- Softens fine lines and improves elasticity
- Gives you a visibly healthier glow in weeks

GLOW TIPS BY AKEVA

Use every night for 2–3 weeks for visible clarity

If using actives (like Glowé R), apply Claré after to soothe and lock in moisture

Perfect as your last step — think of it as a glow seal

02 How to Use Claré

- Use at night on clean, dry skin
- Apply a small amount evenly across face and neck
- Massage gently in upward motion
- Use alone or after serum like Glowé+ or Glowé R

⊖ Not recommended for use with other exfoliants or actives in the same routine.

What to Expect

AKEVA

01

Night 1 – Skin feels soft, smooth, nourished

02

Week 1 – Boosted hydration and more even tone

03

Week 3–4 – Reduced spots, brighter glow, improved skin texture

Akeva's Promise

Claré is:

- Packed with safe, proven ingredients
- Dermatologist-tested for daily use
- Free from harsh bleaches or mercury
- Suitable for dry, normal, and combination skin
- Cruelty-free and made with care

? CAN I USE CLARÉ DURING THE DAY?

It's designed for night use due to active ingredients. Use with SPF if applied in the day.

? DOES IT LIGHTEN THE SKIN?

It evens out skin tone and fades dark spots. No artificial bleaching.

? IS IT SAFE FOR DAILY USE?

Yes — use nightly unless skin feels sensitive. Then alternate days.

? CAN MEN USE THIS?

Absolutely. Claré is for all skin types and tones.
