Cleanser Your Skin
Deserves

Skinné

The Ultimate Glow Guide
Akeva Skincare

Welcome to Your Glow Ritual

Glowing skin starts with a clean base. Skinné is a gentle yet effective face wash that lifts away dirt, oil, and dead skin without stripping your skin. Use this guide to get the most out of your daily cleanse.

01 Why You'll Love Skinné

- Deeply cleans without drying
- Clears pores and removes excess oil
- Brightens dull, tired skin
- Gently exfoliates with AHA power
- Leaves skin fresh, soft, and ready to glow

GLOW TIPS BY AKEVA

Double cleanse at night if wearing sunscreen or makeup

Follow with your Akeva serum for best absorption

If skin feels tight, reduce usage to once a day and always moisturize after

02 How to Use Skinné

- Wet your face with lukewarm water
- Apply a small amount to your fingertips
- Gently massage in circular motions (30–60 seconds)
- Rinse thoroughly and pat dry
- Use morning and night

⊘ Avoid using around eyes. Do not leave on skin for extended time.

What to Expect

AKEVA

01

First Wash – Clean, fresh, soft feel

02

Day 3–5 – Fewer breakouts and oil control

03

Week 2 – Brighter, smoother skin surface

Akeva's Promise

Skinné is:

- Dermatologist-tested
- Gentle enough for daily use
- Balanced for all skin types
- Free from parabens and harsh scrubs
- Not tested on animals

Clean skin. No compromise.

? CAN I USE THIS ON SENSITIVE SKIN?

Yes — but start slow if you're new to actives like glycolic acid.

? DOES IT REMOVE MAKEUP?

It removes light makeup. For heavy makeup, use an oil cleanser first.

? CAN MEN USE THIS TOO?

Yes! Skinné is suitable for all skin types and genders

? CAN I USE IT WITH RETINOL OR VITAMIN C?

Yes. Just make sure you rinse it off completely before applying actives.

Inside the Formula

Hero Ingredients:

- SLES – Gentle cleansing foam without harshness
- Glycolic Acid + Citric Acid – Light exfoliation to brighten
- Glycerin – Keeps skin soft and hydrated
- Vitamin D – Calms and strengthens the skin barrier
- Polyquaternium-7 – Smooths and conditions skin after cleansing

Aqua, SLES, EDTA, Glycolic Acid, Citric Acid, Coco Betaine, Polyquaternium-7, Glycerin, Essence, Vitamin D
